The Peripheral Nerve Society is holding a Satellite Meeting in Sydney, Australia, July 5-7, 2010 to be held at the University of Sydney and to be supported by the Nerve Research Foundation of the University.

As Chair of the Australian Organising Committee for this meeting and on behalf of the Committee I would warmly invite you to this important meeting. If you have any questions regarding the meeting, please contact me at the address below or by email at armati55@med.usyd.edu.au.

Kind regards

Patricia Armati
