Midwestern University, Assistant Professor, Anatomy

The College of Graduate Studies invites applications for a full-time, tenure-track faculty position at the rank of Assistant Professor in the Department of Anatomy. The successful candidate will participate in team-taught Neuroscience courses within our graduate, medical and health professions programs, and will be expected to establish an independent research program capable of attracting extramural funding. Current research interests within the department include plasticity of the central and peripheral nervous system, auditory system, myelination and demyelination diseases, inflammation and immunology, metabolism, obesity and aging, developmental biology, biological anthropology, paleontology and anatomy.

To be considered for the position, you must have a Ph.D. or equivalent degree, a minimum of two years of postdoctoral experience, a commitment to excellence in teaching and a documented record of scholarly activity. Applicants with demonstrated teaching expertise will be prioritized. Review of applications will begin September 15, 2021, and close when the position is filled.

Applicants must submit an application packet through MWU’s website:

1. Visit www.midwestern.edu
2. Click on the bars in the upper right corner, click on ‘Quick Links’ drop-down menu
3. Select ‘Employment at MWU’
4. Select ‘View Current Job Openings’
5. Select ‘Downers Grove, IL’ for Company Location and ‘Faculty’ for Job Category
6. Open up the Job Details and select ‘Apply now’

Your application packet must include the following information in attachments:
- Cover letter
- CV
- Application
- Contact information for 3 references
- Statement of Teaching Philosophy and Research Interests

Applicants may send inquiries to Erin Stephenson, Ph.D., Search Committee Chair, Department of Anatomy, College of Graduate Studies, Midwestern University, 555 31st St., Downers Grove, Illinois, 60515, esteph@midwestern.edu. However, applications must be submitted online.

Midwestern University is a private, not-for-profit organization that provides graduate and postgraduate education in the health sciences. The University has two campuses, one in Downers Grove, Illinois and the other in Glendale, Arizona. More than 6,000 full-time students are enrolled in graduate programs in osteopathic medicine, dentistry, pharmacy, physician assistant studies, physical therapy, occupational therapy, nurse anesthesia, cardiovascular perfusion, podiatry, optometry, clinical psychology, speech language pathology, biomedical sciences, public health, precision medicine and veterinary medicine. Over 500 full-time faculty members and 400 staff members are dedicated to the education and development of our students in an environment that encourages learning, respect for all members of the health care team, service, interdisciplinary scholarly activity, and personal growth. The Higher Learning Commission, a Commission of the North Central Association of Colleges and Schools, accredits the University. We encourage you to visit www.midwestern.edu for additional details about our dynamic University.

The Downers Grove, IL campus of Midwestern University is located on a beautiful, wooded, 105-acre campus just 25 miles west of Chicago, IL. There is easy train and expressway access to the academic, cultural and recreational amenities of the city and greater Chicagoland area.
