

TNC Nominations Process

The Toxic Neuropathy Consortium (TNC) accepts nominations for five open at-large seats on the Board of Directors for a two-year term. Below is the process for identifying and electing candidates of open at-large director seats.

1. Send Call for Nominations to membership.
2. Nominees must be nominated by a PNS member in good standing.
3. The nominee must be a member of PNS in good standing.
4. The Executive Office will contact the nominees to verify that individuals accept the nomination.
5. Each nominee will prepare a brief statement regarding their qualification and positions.
6. TNC Membership will vote.
7. The top three nominees voted by membership will automatically be chosen to sit on the TNC Board.
8. The other two nominees will be vetted and selected by the TNC Board of Directors.
9. The new directors will be announced to membership via e-mail.
